Additional Terms: Seller offers a two year hereditary guarantee. However, due to the varying kinds of dog foods on the market, and the different environmental conditions that your dog could be exposed to, WE WILL NOT STAND BEHIND OUR GUARANTEE UNLESS THIS PUPPY IS GIVEN "NUVET PLUS" VITAMINS DAILY FOR A MINIMUM OF TWO YEARS. Failure to do so makes this guarantee null and void! Please call NuVet Plus to order your puppy's vitamins. (1.800.474.7044, Order Code # 51524). We also encourage you to feed this puppy high-end holistic dry dog food, treats, or canned foods (made in USA). Teacup puppies require more care and must be given Fortical or Nutri-Cal 3-4 times daily until they are adjusting and eating well at their new home. Purchaser must have the puppy checked by their veterinarian within five (5) days of purchase and send the vet findings to Seller within 24 hours after seeing vet for this contract to be valid. Failure to do so makes this contract null and void. No guarantee for over or under bite unless otherwise stated as well as no guarantee for a retained testicle for a pet quality puppy unless purchasing a puppy for a breeding program. Also, Kennel Cough, Coccidia, or Guardia, which are common in puppies, is not covered for the simple reason that it can be treated and cured easily. Any major body organ failure is considered life threatening and is covered under this contract. Any health problem that can be treated with medication and or surgery is not covered.

Purchaser: The purchaser agrees to never sell said dog or give of said dog to any Pet Shop, pet farm or similar institution. If, within five (5) days of the date of this sale, the purchaser believes the dog to be sick, the purchaser agrees to return it to the seller (with a letter from an examining licensed veterinarian) and the seller will either (1) exchange the dog for another dog of equal value, or (2) return the dog to the purchaser in well condition, or (3) refund the purchase price.

Seller: The seller assumes no responsibility for this puppy after it leaves the seller's possession, including but not limited to: medical expenses, landlord's disapproval, allergy to animals, or disagreement of family. If within seven (7) days of the stated purchase date, the buyer's veterinarian and the seller's veterinarian discover a congenital defect that will severely interfere with the life function of mobility of the puppy described, the seller is obligated to replace the puppy. If the seller is unable to replace the defective puppy within a period of one (1) year, the purchase price will be refunded. The seller is not responsible for ANY veterinarian bills or any other bill regarding this puppy nor is the seller responsible for damages, physical or emotional to the purchaser's self, possessions, or individuals. The seller is not obligated to replace a puppy whose problem is a result of its environment.
